“Expanding Academic Horizons: Exposure Visit to Arka Jain University”

8. Program brief:

An Academic Exposure Visit to Arka Jain University was successfully organized on 09 April 2026 from 09.00 AM to 01.00 PM under the joint coordination of Dr. Jakki Samir Khan, Mr. Nirmal Kumar Routra, and Dr. Bhabani Mallia. The visit aimed to provide students with valuable exposure to diverse academic environments and institutional best practices in higher education. A total of 44 students participated in the visit, accompanied by 03 faculty members, ensuring effective coordination and guidance throughout the programme. During the visit, students were introduced to the academic framework, infrastructure, and teaching methodologies followed at the university. The exposure helped students understand contemporary approaches to management education, including experiential learning, industry integration, and skill-based development. The visit also provided insights into campus life, student support systems, and the role of innovation and research in shaping academic excellence. Students had the opportunity to observe and interact within a dynamic academic setting, which broadened their perspectives and enhanced their learning experience. Overall, the exposure visit proved to be informative and enriching, enabling students to gain practical insights beyond the classroom. It significantly contributed to their academic development, motivation, and preparedness for future professional and educational opportunities...
