“Learning Beyond Classrooms: Industry Visit to Tatwa Technology Pvt. Ltd.”

9. **Program brief:**

An Industry Visit to Tatwa Technology Pvt. Ltd. was successfully organized on 03 April 2026 at the Bhubaneswar Branch Office. The visit was coordinated by Mr. Bibhuti Bhusan Nayak, Assistant Professor, with the objective of providing students practical exposure to real-world business operations and industry practices. A total of 24 students participated in the visit, accompanied by 02 faculty members, ensuring effective guidance and supervision. During the visit, students were introduced to the organizational structure, operational processes, and service offerings of the company. The industry professionals provided insights into areas such as IT services, project management, client handling, and emerging technological trends. The session emphasized the importance of technical skills, teamwork, and adaptability in a dynamic corporate environment. Students had the opportunity to interact with professionals, gaining firsthand knowledge about workplace expectations, career opportunities, and industry best practices. The visit also helped them understand the practical application of theoretical concepts studied in the classroom. The interactive nature of the session enabled students to clarify their doubts and gain valuable career insights. Overall, the industry visit proved to be an enriching learning experience, enhancing students' industry awareness and preparing them for future professional challenges.
