“Academic Excellence in Action: Exposure Visit to XLRI Jamshedpur”

8. Program brief:

An Academic Exposure Visit to XLRI Jamshedpur was successfully organized on 08 April 2026 from 10.00 AM to 03.00 PM under the joint coordination of Dr. Jakki Samir Khan, Mr. Nirmal Kumar Routra, and Dr. Bhabani Mallia. The visit aimed to provide students with firsthand exposure to one of India's premier management institutions and to enhance their understanding of advanced management education and practices. A total of 44 students participated in the visit, accompanied by 03 faculty members, ensuring proper academic guidance and coordination. During the visit, students were introduced to the academic environment, institutional framework, and best practices followed at XLRI Jamshedpur. The exposure included insights into innovative teaching methodologies, case-based learning, research orientation, and industry-integrated curriculum. Students also gained an understanding of campus culture, leadership development initiatives, and the importance of ethics and social responsibility in management education. The interaction and observation helped students align their academic aspirations with industry and institutional expectations. The visit proved to be highly enriching, motivating students to strive for academic excellence and professional growth. Overall, the programme significantly contributed to experiential learning, broadened students' perspectives, and strengthened their career orientation towards premier management education and leadership roles..
