SRUSTI | VOICE OF LEADERS

Prof. (Dr.) Umakanta Dash

Professor & Principal

Since 2003, Srusti Academy has built a strong reputation for excellence in Management and IT education. With 21 years of experience, we have evolved through modern, industry-aligned curricula, strong corporate linkages, and a vibrant alumni network. Our committed faculty, advanced infrastructure, and comprehensive programs foster holistic student development. Beyond core and elective courses, students gain value-added certifications through NPTEL and SWAYAM, offered by IITs and IIMs.

We warmly welcome you to Srusti—a place where your journey of growth, discovery, and success begins.

Prof. (Dr.) Gangadhar Mishra

Professor & Dean (T&P)

At Srusti Academy, we bridge the gap between academics and industry through a robust Training and Placement ecosystem. Our focus is on employability, equipping students with technical skills, soft skills, and real industry exposure. Regular training sessions, mock interviews, aptitude tests, workshops, and industry talks ensure students are placement-ready and confident. Collaborations with reputed companies across sectors, supported by a strong alumni network and corporate relations, open diverse opportunities every year. With guidance from faculty members, trainers, and industry experts, we prepare students not just for their first job, but for a successful career ahead.

Carving a legacy since 23 years, Srusti Academy of Management and Technology (Autonomous), Bhubaneswar today stands as one of the leading management & IT institutes in Odisha. Over the years, the institute has consistently ranked higher among top B - schools by credible ranking agencies. Accredited as an "A" Grade Institute by the National Assessment and Accreditation Council (NAAC) since 2011, the Institute was conferred Autonomous status in 2021 on the recommendation of UGC.

An institutional life member of All India Management Association (AIMA), Association of Indian Management School (AIMS) and member in professional bodies like CMAI, ISTD, this Institute is ranked 161st in India and 15th in Eastern India in B-School ranking 2024 by leading magazine "The Week". Presently the Institute offers two year full time MBA and MCA program, approved by AICTE and Affiliated to Biju Patnaik University of Technology (BPUT), Rourkela. The MBA program has received accreditation from the National Board of Accreditation (NBA), ensuring its quality and industry relevance.

On conferment of autonomy by Biju Patanaik University of Technology (BPUT), Odisha, the institute adopted and updated industry-endorsed syllabus in alignment with the New Education Policy (NEP) 2020. With an emphasis on soft skills, aptitude, IT skills and professional ethics, students are trained to face the most challenging corporate roles. Moreover, the curriculum encourages the inculcation of Universal Human values (UHV), Indian Knowledge System (IKS), Health and Wellness, Environment Sustainability, AI, Cyber Security, ML, Cloud Services and Industry driven IT Skills. We prepare students not only as professionals but also as responsible global citizens.

SRUSTI

ABOUT
INSTITUTE

EXCELLENCE

OUR VISION

To be a global center of excellence in Management and IT education, nurturing entrepreneurship and business acumen to propel sustainable development for building a just and accountable society committed to nation-building.

OUR MISSION

- To develop professionals in diverse fields of Management and Information Technology.
- To accelerate innovation in learning and teaching.
- To provide a conducive ecosystem for multidisciplinary thinking, action, and research leading to academic excellence.
- To instil an entrepreneurial mindset among the students.
- To create leaders who serve and contribute to society and nation-building.

GRADUATE OUTCOMES

- Decision making
- Leadership
- Innovativeness
- Teamwork
- Entrepreneurship

QUALITY POLICY

Srusti Academy of Management and Technology (Autonomous) is committed to quality education-the quality of an academically demanding regimen for the cause of holistic growth of students. Srusti Academy of Management and Technology (Autonomous) shall strive to impart management & computer education to prepare future business leaders & computer professionals in such a manner so as to accomplish satisfaction of students, parents, employers and the society. Srusti Academy of Management and Technology (Autonomous) shall strive for continual improvement in knowledge delivery system.

SRUSTI | LEADERSHIP INSPIRED BY

At Srusti, student life is designed to nurture leadership and professional capabilities beyond the classroom. Every flagship event is a carefully curated platform where students take charge of planning, organizing, and executing large-scale initiatives. Through this process, they learn to manage resources, work in teams, solve problems creatively, and communicate effectively — all skills that translate directly into workplace readiness.

AROHAN & SAMARAMBH

The MBA and MCA induction ceremonies, Arohan and Samarambh, provide students with their first professional immersion. By planning and hosting these events alongside industry experts, students gain exposure to stakeholder management, professional networking, and event execution, building a strong foundation for leadership roles.

SRUSTI SENSATION

The annual cultural fest, Sensation, challenges students to manage large-scale events involving diverse stakeholders. From budgeting and logistics to creative programming and audience engagement, the experience equips them with project management, decision-making, and teamwork skills that mirror real corporate environments.

FLASH MOB

Through Flash Mob, students learn how to communicate powerful messages in public spaces with creativity and confidence. This initiative strengthens their collaboration, persuasive communication, and ability to connect with audiences — skills invaluable in marketing, branding, and client-facing roles.

momentum

VOICE OF SRUSTI

The talent platform Voice of Srusti builds students' confidence, stage presence, and ability to perform under pressure. These experiences sharpen their presentation and interpersonal skills, preparing them for roles that demand influence and visibility.

JOY OF GIVING

With Joy of Giving, students actively engage in social responsibility by collecting and donating essentials to underprivileged communities. The initiative instills empathy, responsibility, and organizational citizenship, aligning their outlook with values-driven leadership sought by socially conscious employers.

SRUSTI TECHHACK^{1.0}

The institute's hackathon, Srusti TechHack 1.0, gives students the opportunity to tackle real-world challenges with innovative tech solutions. It nurtures critical thinking, teamwork under pressure, and a problem-solving mindset — capabilities highly valued in today's fast-evolving industries.

SRUSTI CLUBS & CELLS

HR Club

Enhances HR knowledge through quizzes and role plays, building leadership, communication, and people management skills.

Improves public speaking and communication confidence through debates, speeches, and fun language activities.

ED Cell

Encourages innovation and life skills with entrepreneurial sessions and events, nurturing future leaders and changemakers.

SPICMACAY HERITAGE CLUB

Promotes cultural awareness and creativity by engaging students with India's heritage, traditions, and arts.

Marketing Club

Develops creativity and marketing strategies through workshops and activities, boosting persuasion and branding skills.

Sruti Social Media Club

Builds digital communication skills through content creation, design, and media handling, boosting creativity and employability.

IT club

Sharpens coding, problem-solving, and IT knowledge through quizzes and competitions, preparing students for tech careers.

Finance Club

Provides financial literacy and market insights, preparing students for careers in banking, finance, and investments.

YOUTH RED CROSS UNIT AND RED RIBBON CLUB

Instills social responsibility and empathy through awareness drives and community service, shaping responsible citizens.

Fosters physical fitness, focus, and stress management through yoga practices and meditation sessions.

MBA | DEPARTMENT OF BUSINESS ADMINISTRATION (Since 2003)

PROGRAM OVERVIEW

In today's fast-paced, post-globalization economy, the demand for skilled business professionals has never been higher. At Srusti, our MBA programme is designed not just to meet this demand—but to shape future-ready leaders equipped to thrive in dynamic corporate landscapes. From day one, students are immersed in academic rigour, industry exposure, and hands-on learning, ensuring a seamless transition from campus to the corporate world. The curriculum focuses on building analytical thinking, strategic decision-making, and professional confidence.

What sets us apart?

- 19 Core Courses spread across four semesters
- Dual Specializations in 5 high-demand areas
- Industry-Aligned Pedagogy through case studies, internships, seminars, and live projects
- Exposure to current business practices via industrial visits and research assignments
- A faculty team that combines academic excellence with real-world insight

At Srusti, we believe in teaching with purpose and training with passion—ensuring our students graduate not just with a degree, but with the mindset, skills, and confidence to lead.

OUR PEDAGOGY

At Srusti Academy, our MBA curriculum is anchored in Outcome-Based Education (OBE)—informed by inputs from industry leaders, renowned academicians, successful alumni, and global benchmarks.

We blend academic rigour with real-world relevance through innovative and engaging teaching methods that prepare students to lead with confidence.

Dynamic Teaching Methodologies

- **Blended Learning** – Seamless integration of online and offline instruction
- **Case-Based Teaching** – Learning through real-world business scenarios
- **Flipped Classrooms** – Student-led, discussion-driven sessions
- **Experiential Learning** – Practical exposure to real business challenges
- **Industry Immersion** – Direct interaction with the corporate world

Learner-Centric Activities

- Group Discussions
- Management Games
- Outbound Training
- Presentations
- Quizzes
- Role Plays

MCA | COURSE STRUCTURE & CURRICULUM

PROGRAM OVERVIEW

In today's digital era, the demand for skilled tech professionals is soaring. The Master of Computer Applications (MCA) at Srusti is designed to provide the technical depth and practical expertise needed to excel in the dynamic world of IT and software development.

This 2-year professional postgraduate programme delivers strong foundations in computer systems, programming, software engineering, and application development, blending rigorous theory with hands-on learning. Through projects, internships, and industry-led sessions, students gain real-world experience—preparing them for careers in software development, systems design, AI, data analytics, cybersecurity, and beyond.

OUR PEDAGOGY

To prepare students for real-world challenges and dynamic tech roles, the MCA programme follows a practice-oriented, industry-aligned pedagogy: Innovative Teaching Approaches

- **Blended Learning** – Integrated online and in-person instruction
- **Project-Based Teaching** – Learning through live coding and solution-building
- **Flipped Classrooms** – Interactive, student-driven learning environments
- **Industry Immersion Programme** – Direct exposure to tech industries
- **Outbound Training** – Skill-building beyond the classroom
- **Presentations** – Structured articulation and peer learning

At Srusti, MCA is not just a degree—it's a launchpad for the innovators, coders, and tech leaders of tomorrow.

COURSE STRUCTURE

CORE PAPERS

- Mathematical Foundation for Computer Applications-I
- Problem Solving & Programming Language
- Business Communication
- Computer System Architecture
- Database Management System
- Mathematical Foundation for Computer Applications-II
- Data Structure
- Object Oriented Programming Systems
- Operating System
- Universal Human Values
- Indian Knowledge System
- Design and Analysis of Algorithms
- Computer Network
- Software Engineering and Object Oriented Analysis and Design

PRACTICAL PAPERS

- Programming Using C Lab
- Language and communication skills Lab
- DMS using Oracle Lab
- Emerging Technology Lab-I (Python Programming)
- Data Structure Using C Lab
- Object Oriented Programming using JAVA Lab Operating System Lab
- Advanced Python Programming
- Emerging Technology Lab-II (Internet & Web Technology)

- Design and Analysis of Algorithms Lab
- Personality Development and soft skills Lab
- Data Processing and Visualization Lab
- Summer Internship & Project
- Major project

A student has to opt for any two papers from elective I and II in the 3rd semester and has to opt for any two papers from elective III and IV in the 4th semester.

Elective-I

- Artificial Intelligence
- Computer & Network Security
- Wireless Sensor Network
- Computer Graphics

Elective-II

- Data Warehousing & Business Intelligence
- Ethical Hacking
- Cloud Computing
- Mobile Application Development

Elective-III

- Machine Learning
- Block Chain Technology
- Internet of Things
- Software Project Management

Elective-IV

- Big Data Analytics
- Digital Forensics
- Mobile Computing
- Image Processing

ACUMEN

One of the major challenges faced by management education today is constantly adoption of the changing requirements of the industry. Industry Institute Partnership Cell (IIPC) at Srusti Academy of Management and Technology (Autonomous), establishes with funding from AICTE, takes the initiative to conduct several activities such as - Corporate talks, Industry visits, Workshops, Industry studies, Industry sponsored Market Research, Guest lectures, Seminars, and participation of students in Industries' CSR Programmes. To foster the industry institute collaboration, IIPC at Srusti provides an interface between the academic and the corporate world through interactive sessions and Internship Programmes. Leading practitioners from diverse industry backgrounds share their insights and management lessons. As a facilitator between academics and corporate, IIPC creates distinct spillover, benefits for the Institute in areas such as review of the training curriculum and alignment with recruiter expectations and as reinforcement for wider Internship and campus recruitment opportunities.

TRAINING ACTIVITY

Self Grooming | Team Building | Time Management | Reasoning and Logical Thinking | Business Correspondence | Presentation | Current Affair Discussion | Extempore and GD | Cross Cultural Awareness | Stress Management | FAQs discussion to strengthen Domain Knowledge | Communicational Skill

TRAINING & PLACEMENT CELL

The Training & Placement Cell at Srusti is led by a dedicated team committed to helping students achieve their career goals. It regularly conducts career guidance seminars, soft skill training, personality development workshops, and corporate talks to enhance employability. The Cell also facilitates industrial visits, internships, and industry-relevant projects to bridge the gap between academics and real-world expectations. Through Employability Enhancement Programmes and training by certified professionals, students are groomed to become confident, corporate-ready professionals. Srusti's strong industry linkage ensures meaningful career opportunities for its students.

"It was a thoroughly enriching experience to conduct the campus recruitment drive at Sruti Academy of Management and Technology (Autonomous), Bhubaneswar. The professionalism and enthusiasm demonstrated by the students truly reflect the institution's academic standards and commitment to excellence."

SIP | SUMMER INTERNSHIP PROGRAMME

The Summer Internship Programme (SIP) offers students a valuable opportunity to gain hands-on exposure to real-world work environments before stepping into the corporate sphere. It serves as a practical extension of classroom learning, allowing students to apply concepts within their chosen area of specialization. Spanning 6–8 weeks, SIP placements are arranged in leading industries across diverse sectors, primarily located in metropolitan cities. These internships act as a critical career stepping stone, often influencing final placements and long-term career paths.

With each passing year, the number of paid internships continues to rise, reflecting both the growing trust of recruiters and the calibre of our students.

SRUSTI | FINAL PLACEMENT

Our placement department maintains a robust network with top corporates across the country, ensuring exciting career opportunities for students across specializations. Through active collaboration with industry partners, we consistently deliver diverse placement options that align with student aspirations and market demands.

We regularly engage with recruiters to gather insights and refine student skillsets in tune with evolving industry expectations. With a steadily rising placement record, our students are making their mark in leading organizations through both campus and off-campus drives.

PLACEMENT PROCESS

- Companies confirm eligibility criteria and share job details including profile, location, compensation, and joining date
- A recruitment date is finalized by mutual agreement
- A Pre-Placement Talk (PPT) is conducted by the company
- Registered students participate in the selection process (written test, GD, PI)
- Results are announced promptly, and offer letters are issued to selected candidates

ROLE OF PLACECOM MEMBERS

The students' placement committee (placecom) is formed annually to actively support and facilitate the placement process. Members of placecom are responsible for:

- Framing placement policies and rules
- Visiting companies, making presentations, and building professional networks
- Inviting corporate leaders for guest talks and interactions
- Coordinating with students and managing on-campus recruitment activities

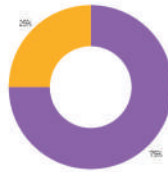

Expanding Career Horizons.

“ Excellent infrastructure and courtesy.”

SRUSTI | ALUMNI SPEAK

Ansuman Narayan

2004 - 2006, MBA

Being a student of Srusti Academy of Management has been a transformative experience for me. The faculty members are not just teachers but mentors who genuinely care about the students' success.

Nabaraj Khamari

2014 - 2016, MBA

Two years at Srusti Academy of Management have been a real learning experience and have in many ways, made me industry ready potential human resource. I express my sincere gratitude to faculty members of my institute who played a crucial role in shaping up my career.

G.Satyam Dey

2005 - 2007, MBA

I am proud to have Srusti Academy of Management as my alma mater. My two years at Srusti not only improved my knowledge but also motivated me to look for heights. I am thankful to my faculty members who consistently mentored me to explore new opportunities and make a conscious career choice.

Mrutyunjaya Sahoo

2012 - 2015, MCA

I always feel that I took the right decision to take choice MCA as my career. Through the rigor of MCA curriculum as well as keeping myself open to technological advancements from time to time, I today have a technical edge over many of my counterparts. I am a proud Alumni of Srusti Academy of Management.

Ameera Rath

2020 - 2022, MBA

Srusti Academy of Management has been the platform that transformed my career with its updated and career-relevant autonomous curriculum. Examinations were conducted on time with results published promptly. The industry exposure and excellent placement support helped me secure my dream job.

Rajesh Mohapatra

2018 - 2020, MBA

I have never felt a distance between me and my teachers during the two years of study at Srusti Academy. Apart from theory, I have received able guidance during my Summer Internship Project (SIP) and mini project work carried out by me in different subject areas.

Soubhagya Mishra

2012 - 2014, MBA

I came to Srusti Academy of Management with high hopes to build a strong career with a solid foundation. Today I am extremely happy and satisfied with the knowledge and success gained and suitable placement provided by my institute.

Jyoti Prakash Sahoo

2004 - 2006, MBA

Srusti Academy of Management provided me with a holistic learning experience that prepared me for the challenges of the corporate world. The emphasis on practical learning, industry interactions, and internship opportunities in Metro Cities gave me the confidence and skills to excel in my professional journey.

Ankita Samal

2016 - 2018, MBA

jaro education

Two years at Srusti Academy of Management has shaped my career. I have learnt more than I was taught for the exposures and opportunities that the institute has provided. My teachers, and Training & Placement Department always work for the interest of students. I am indebted to my alma mater.

Debasis Muni

2011 - 2013, MBA

Initially I was feeling nervous to make any presentation or participate in seminar activities. Constant guidance from training department has brought in tremendous improvement in my confidence level and communication skills as a result of which I could be through in campus recruitment by Polycab.

Mr. Tapas Ranjan Panda

2012 - 2015, MCA

Only because of the highly qualified and experienced professors of Srusti Academy of Management, who mentoring me in the right way has made me achieve my dream career. Much obliged to Srusti Academy of Management for assisting with setting me up for this present reality!

Siddharth Pattanaik

2015 - 2017, MBA

Srusti Academy has not only given me the recognition in terms of academics- it's overall approach towards training has helped me a lot in achieving my career goals in this competitive world. I am a proud Srustian.
